Dear Ken

On behalf of the Trustees and Administrative Committee of The Auto Cycle Union Benevolent Fund I am acknowledging receipt of two cheques, one in the sum of £950.00 being a very generous donation to our fund from The Cheshire & North Wales Centre and the other for £150.00 in respect of Stewards expenses from within the Centre. Please convey our thanks to everyone concerned.

As I am sure you already know The Auto Cycle Union Benevolent Fund was set up as a Registered Charity in April 1950 and our aim is to support motorcyclists suffering times of extreme financial hardship. Anyone who, at any time has been a member of an Affiliated Club or who is the dependant of a member should qualify for assistance. All money donated goes entirely to the Fund and there are no deductions for administrative costs. The Trustees rely solely upon donations and everything we receive is very much appreciated. The Fund paid out just short of £84,000.00 in 2019 to those requesting assistance, which was slightly down on 2018, so as I am sure you can appreciate, every single penny counts.

I am proud to say that we continue to help many people from all over the UK in times of need and often in very distressing circumstances. No doubt we will, with continued support such as this, go on to help many more people in the coming years.

Please find enclosed our Official Receipts for your records. Thank you for your generosity and for continuing to support The ACU Benevolent Fund.

With best wishes.

Yours sincerely
On behalf of
The Auto-Cycle Union Benevolent Fund

Margaret Carter
